

Admissions to Longford Park School

The Child's school or nursery think they need a place at Longford park School
– *the child needs to be at least being assessed for an EHCP.*

Contact Yvonne Quigley, Longford Park school's outreach team manager who will offer an assessment package for that child.

Further details and prices can be found on the school website under 'Outreach'

From their assessment there will be one of 3 options advised

The outreach team will offer either strategies for staff or a package to work with your school in order to maintain the placement

The Outreach team will advise a 10 week step out placement at LPS to allow time away for the child with either then integration back into your school or a request for a change of placement

The outreach team will advise the child needs a place at LPS and then you need to hold an early AR to request change of placement / provision

The local authority panel will consult LPS if they agree change of placement is needed and an EHCP is to be issued.

If LPS can offer a place they will agree funding and then your child will be moved over to LPS.

If you have any queries or need any help and support then please contact:
